

Welcome Back to both New and Returning BCHS Families,

We all hope you have had a fantastic summer and a great transition back to routine as we begin the 2017/18 school year. We have been very busy with start-up and wanted to share with our families that there is a great deal going on through the month of September. Please see our website at <http://bchs.crps.ca/> for all of your informational needs. There you will find announcements coming from our school as well as our direct links to Moodle/Powerschool and Facebook. You also have access to our Google Calendar with upcoming dates.

Speaking of dates we have a very busy week coming up. Monday Sep. 18th is Senior Hike Day and we will need parent volunteers to help with running the hikes. Please contact the school if you can assist. If we don't have the volunteers necessary hike day can not move forward so thank you in advance to those that can help out.

Our first School Council meeting is also on Monday the 18th at 4pm in the library...all parents welcome. Please come and share your ideas and learn more about our school!

On Wednesday the 20th, Jesse Miller presents to our grade 8 and 9 classes as well as to our community that evening at 7pm on Youth and Social Media...for more information see our website under around CRPS on the homepage. Our annual Open house runs the same evening from 5-6pm, followed by a Q and A with Mr. Greene, Ms. Miles and School Council from 6:15-6:45. Hopefully families can make both events that evening!!

This Thursday September 21st sees our junior High students taking part in their Hike Day...again please volunteer if you can so that these hikes can run. Our Canada 150 Mural project continues on Thursday with the unveiling ceremony taking place on Sept 29th...more info on our website under announcements on the homepage.

Finally, we are in desperate need of girls junior high Volleyball coaches! If you can volunteer for this or the hikes please contact the school directly.

Please contact the school at any time with questions you may have. Once again everyone, welcome back to a new year and all the best in 2017/18.

Steve Greene,  
Principal, BCHS
