AT Home Learning

This has been our first week back to At-Home-Learning. Students have reported that the structure and tools are working well given the circumstances. They also have noted that it is a lot of screen time. Please be sure that your student is taking time throughout the day to take movement and fresh air breaks. Our student leadership group continues to work on ideas to help keep our school community connected. Please don't hesitate to contact us at the school if your student requires support in this new environment.

Quarter 2 – student achievement update - Grade 11/12

This week we will be halfway through our second quarter. Students that are in grades 11 and 12 will receive updated information on their progress on **Thursday December 10**. Families can review student progress on the school's Moodle. Please review your student's progress together. If you have any questions please contact your teachers to set up an appointment to understand your student's progress and to develop strategies for success in the second half of this quarter

Diploma Exams

The provincial Government has announced that diplomas will be optional for the remainder of this school year. Students that elect not to write the diplomas will be exempted from them and their final grade will be based upon their classmark as determined by their teachers.

Students that do wish to write the January diploma exam need to **confirm with the office by January 5** that they plan to write. Please send an email to Mike Shoemaker or Chris Rogers, if your student plans on writing their diploma this quarter.

How to Pay School Fees

The Banff Community High School preliminary school fee invoices are now available on [PowerSchool Parent Portal](#). As the 2020/2021 school year is based on a quarter system with the flexibility to change learning preferences, we will charge course fees on a quarterly basis. As

cost-incurring activities in Physical Education are limited at this time, fees are not currently being charged. Fees may be added as opportunities arise. Included on this invoice are our general fees and if applicable, any course fees for Quarter 1 options.

Debit or credit card payments can be made online through your Parent Portal
<https://powerschool.crps.ca/public/>.

If you have any questions about School Fees, please contact Joanne Geyer. joanne.geyer@crps.ca.
