### Schedules Semester 2

Today marks the end of Semester 1. Grade 11 and 12 students will begin new courses and all students will begin new option classes on **Monday, January 31, 2022**. Student schedules have been designed based on student requests. Students should be reviewing their schedules to confirm that their courses meet their academic goals and requirements.

Please note the following scheduling expectations for students:

- Students in grades 9 - 11 are expected to have a full timetable (20 credits per semester)
- Students in grade 9: your Phys Ed classes now move to the last block in the day and your Option Blocks move to block 1.
- The last day to make changes to student timetables is Friday, February 4, 2022
- Students should have an Alberta "My Pass Account," to allow them to track progress towards a diploma.

## COVID Information

Thank you to all families for following Alberta Health Safety protocols and sharing information about student absences with us at the school. We continue to inform our school community of COVID cases through confidential cohorted letters. These letters serve to inform parents about potential case contacts and provide you with timely information about cases in your student's classes.

Currently, there continues to be COVID related absences in our school and community that support maintaining our current COVID protocols. As outlined in a [letter](#) from the office of the superintendent, these protocols will continue to be **reviewed weekly** based upon information from our schools and Alberta Health Services. Please continue to encourage your student to:

- Do the AHS [daily health screening](#)
- Wear a mask at all times in the building
- Limit social interactions
- Socially distance

The following school protocols will remain in place for the week of January 31- February 04.

- **School Operations / Increased Health Measures:** In order to keep everyone safe as we re-enter school, our school division has strengthened the protocols in the Re-Entry Plan for CRPS Families. Please [read here](#) for details on this plan. Please note how these changes will impact operations at **Banff Community High School**.
- **Masks:** Masks are to be worn at all times in the building by staff and students. This includes during physical activities in the gym and while seated in the classrooms. Please send your students to school with a mask daily.
- **Extra-Curricular Activities:** At this time sports teams are postponed. All practices and games are canceled until further notice. Clubs like student council and Green Team / High Hopes must take place virtually.
- **Closed Campus:** BCHS will be operating as a closed campus. Students are expected to remain in their classes for the duration of the learning day. Students will be asked to leave the school at 3:25 pm.
  - *Lunch:* Students will eat lunch in the classroom that they have before lunch hour. Students may leave the building to go home for lunch but cannot bring food back into the building. The school doors will be locked over lunch and students will be allowed access back into the building at 1:45 pm, before last period. **Please send your student to school with the snacks and nutrition they require for a full day of school.**
  - *Students with Spare Blocks:* Students with spares are expected to work in the Learning Commons or should exit the building.
  - Students are not allowed to congregate in public spaces in the school. Eg. Purkis Hall / Student Lounge.

- **Music:** After-school band classes have been suspended until further notice.
- **Foods Classes:** Students cannot eat the food they have made in class, within the classroom.
- **Alignment Classes:** Students will continue to travel between schools at this time.
- **Student Absence from School:**
  - To support both student and teacher safety; please contact the school if your student is going to be absent from school, and if illness-related, please provide the symptoms.
  - Teachers have made Learning Management Systems (Google Classroom/Moodle) comprehensive so that students are able to complete learning tasks when they are required to stay home from school. Students are expected to contact classroom teachers to determine what work is to be completed while away from school

## **BEAR CELEBRATIONS**

We would like to congratulate BCHS BEAR Anika Villemaire who, along with her team Shannon, earned a silver medal at the Curling Alberta U18 Optimist Championship in Hinton last week. They finished the round-robin with a 6-1 record and earned a buy directly to the finals. Coming home with a silver medal is an incredible achievement!

If you have a BCHS Celebration that you would like to share with our community, please email [mike.shoemaker@crps.ca](mailto:mike.shoemaker@crps.ca)
